

Savile Town CE (C) Infant and Nursery School

Governor Link News!

What's been happening at school:

- Ofsted July 2013 rated our school as Good with outstanding behaviour and safety. SIAMS inspection in January 2017 said we are a good school.
- Newsletters come home on the 1st Friday of every month
- Established links for children and teachers with other Dewsbury Schools.
- Standards have risen again this year—a big thank you to all the staff for their hard work and commitment, and also your support from home. Working together really does make a difference!
- Fantastic art work in school. We have some very talented children.
- Wide range of extra curricular clubs such as multi—skills, dance, cricket, games, and enterprise are just some examples.
- Many school trips for each year group and also taking part in the Dewsbury Big Sing in July.
- Half termly charity events- fund raising for many causes throughout the year. Please see our Charity Chart in the hall.
- Thank you for all your School Fund contributions which have enabled us to subsidise school trips and pay for a Leavers party for Year 2 children.

Other things in school

We have joined the Thrive Hub—that's 22 Dewsbury schools working together for children and families in the area as services from the Local Authority are diminishing. This is growing all the time and there are links from our website to the Thrive on to find our more information.

You can also find out weekly information on our Facebook page and also the school website. We are constantly updating information so please keep looking!

Thank you to parents who have come along to our parent workshops as well as weekly maths and reading times in classes. Our assemblies have been very well attended, as have events through the school day and after as well. Parent workshops have focused on phonics, maths, craft and ESOL.

Future Plans

Our Nursery provision has been very successful so please put your name down early for a place. Our 2 year olds gain confidence very quickly and settle into the bigger provision with ease.

More community based work.

Developing the outdoor environment as a learning resource.
