

Savile Town CE (C) Infant & Nursery School

Munch Bunch Meeting Friday 4th November 2016

1. **Attended** - Eesa Hussain & M. Husain Baiyat (Bears)
Zainab Ali & Zain Valli (Kangaroos)
Muhammad Mahmood & Umaima Hussain (Penguins)
Mrs Maniar (cook),
Miss Mariyam Latif (lunchtime supervisor & ETA)
Mrs Douglas

Everyone introduced themselves and said which class they are in.

2. **Our meetings** - Mrs Maniar explained to everyone about what we do in the meeting and asked several questions for the children to answer.
3. **What do you like about the menu?** -The children told us they like curry & rice, pizza & potato, jacket potatoes, rotti, pasta and spaghetti. Mrs Maniar was pleased as she said that was most of the current menu. The children were happy with the menu and there were no dishes that were disliked.
4. **What would you like to see on the menu?** - Panini's which Mrs Maniar said she was contacting someone about having a panini machine in school. Another suggestion was egg sandwiches or eggs with the salad tray choices. Mrs Maniar said she will try and include these.
5. **Food on the floor** - Mrs Maniar and Miss Mariyam said they were worried about the amount of food on the floor. The children thought maybe people were putting food on the floor so they could get a 'Clean plate' sticker. We talked about changing the stickers to a clean table sticker instead.
6. **Noise** - It has been very noisy in the school hall. We talked in assembly this morning about using quiet voices indoors. The children thought a display like a clock with each class having a coloured section with their class picture on would help to remind classes about quiet voices.

7. **Going outside**-can we remind everyone to go out of the hall through Penguins class and take their coats outside. We should not be coming back inside unless it is to use the toilets. We should not be in the classrooms.

Thank you for all your ideas.
