Mrs Douglas

2. **Absent** - Zainab Ali & Muhammad Mahmood are off ill.

3. **What do you like about the menu?** -They like the menu. Umaimah mentioned again about having panini's. Mrs Maniar said last time not many children chose them or liked them. She agreed to try them again. The children liked the eggs and would like them to continue to be on the salad bar.

4. **In the hall.**
 - Food on the floor - Mrs Maniar and Miss Mariyam said there is still lots of food on the floor. Mrs Douglas will talk about lunchtimes in assembly on Monday.
 - Noise - the last few weeks have been very noisy. The lunchtime supervisors have talked with Mrs Douglas about this today and we are going to try some new things over the next few weeks. Firstly we will only have 4 table sin the hall but more spread out. Next everyone has to stay in their seats and put their hand up when they are ready for dessert. Only when everything is finished can anyone get up. Also each day someone from the class will check the chart and tell the classteacher about how well lunchtime has gone. Miss Farhana/ Miss Razina will walk through the 2 sitting children to the line for the hall. Anyone being silly will be asked to sit down and can only then go into lunch at the end of the line.

5. **Outside** - We need to remember to walk out after finishing all of our food. The children like all the activities outside on a lunchtime. Eesa asked for the slide to be painted.

6. **Wet lunchtimes**-No problems.

Thank you for all your ideas.
