Schools Sport Premium Funding

What is the Sports Premium?

Sports premium money is extra money over the amount in the school budget that is allocated each financial year. The money that is received is dedicated to improve PE provision in school.

At Savile Town, we recognise the contribution of PE to the health and well-being of all the children in our school. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Our Primary School Sport's Funding will enable us to continue and extend our provision through training our staff to deliver in-house quality PE sessions, continuing to purchase stimulating and high quality resources, enhancing sports opportunities at all points of the day, offering a range of After School Clubs and employing additional sports professionals.

This year at Savile Town we are using the funding to:

- Join the local Schools Sport Partnership network, to provide the school with a host of sporting opportunities and training.
- Funding a HLTA with a passion for PE to deliver good quality PE lessons to all Reception and KS1 children.
- Hiring specialist teachers/qualified sports coaches to work alongside our teachers when teaching PE to increase their professional knowledge, skills and confidence when teaching PE.
- Providing cover to release primary teachers for professional development in PE/sport.
- Building a bank of high quality resources for PE lessons, After School Clubs, playtimes and Lunchtime activities.
- Taking part in intra school multi-skills competitions/events with local schools.
- Providing a range of after school clubs.
