

## Savile Town CE (C) I & N School

Through the core values of love, kindness and perseverance the school provides a nurturing environment in which children grow in confidence and develop a capacity for learning.

School leaders ensure that the resources are focused on the needs of all pupils through a low pupil teacher ratio and the deployment of focused intervention. All pupils make considerable progress between their arrival and the end of key Stage 1.

**Places available for children from  
2 – 7 year olds. Please ring  
01924 469455 for further  
information.**
